

# We Want You!

## Share your skills and interests by joining one of our Committees!

Do you like to be **active**? Do you want to be more **involved** in your community? Do you like to **learn new skills**, or keep your current skills sharp? Do you like to **share new ideas**?

*If you answered yes to any of those questions...*

### Consider joining one of our committees!

The Active Lifestyles Seniors' Centre currently has six committees, all of which are open to any active members of the ALSC. Members of these committees will serve a 2 year term, with the option of extension. Each committee consists of the following:

- A Chair
- Recording Secretary
- 2-3 volunteer members of ALSC
- A Board Member

Joining a committee is an excellent way to give back to the community, as well as to give back to the ALSC. Being involved with a committee will give you the chance to have your voice heard, and any feedback or suggestions will be greatly appreciated.
